

Rebecca Marcus PT, DPT Rebecca is the newest member of Core Dynamics Physical Therapy. Rebecca graduated with a Doctorate in Physical Therapy and honors from Touro College School of Health Sciences. Rebecca has experience in treating orthopedic, neurological, and pelvic floor conditions. Rebecca has completed a clinical training specialized in pelvic floor rehabilitation, and provided compassionate hands-on care to patients struggling with pelvic floor dysfunction. Rebecca has taken continuing education through the Herman and Wallace Pelvic Rehabilitation Institute, as well as coursework on The Thoracic Ring Approach through the Connect Therapy Series. Rebecca is happy to be working in her home state of New Jersey and is excited to be part of the Core Dynamics Physical Therapy team. Rebecca is passionate about pelvic floor physical therapy and enjoys helping patients lead a happier, healthier, and more meaningful life.
